## 101 Sex Jokes and Comix

By

Lisa A. Shoemaker

**It's what you've been waiting for. No Bull!**

# Preface

Welcome to my labor of love. This book took me several months to create, exclusively for Ebook sites. My husband said I was wasting my time with creating this book. I beg to differ. Now that he has seen the finished product he says I should stay in the Ebook business and make us rich!

I don't know about getting rich, but It does pay the bills. I have sold a few rights and plan to sell it to more Ebook sites in the future.

All the pictures are Copyrighted and may only be distributed through this Ebook. I pay up my ass for the rights to them so don't post them on your website, or give this book away as a matter of fact.

Each page has one joke and a comic picture. Some pages have a very short joke and this makes for a page that has very little text on it. It may not look the best, but I wanted it to be that way. One joke, one picture, one page.

Well, let's start with some great laughter and then at the end is a bonus section called. "A Few Sick Ones For You!"

Love, Lisa A.Shoemaker

# STRIP CLUB

"...Sure. Then you come bouncing back in here a few months later moaning that you don't like having big breasts!"

A man went to a strip club. When he got inside he noticed a seat conspicuously unoccupied in the front row. Seizing the opportunity, he took the seat.

As soon as the first dancer walked out, the guy directly behind him yelled, "Yeah baby! That's what I've been waiting for!"

The man in the front row turned around and gave him a dirty look. A few minutes into the show, the dancer did a move and snatched off her top, revealing two pasties. The guy behind our friend goes off again. "Yeah baby! Shake those things."

Our friend turned around and said, "Hey buddy, calm down!"

After a few moments, the dancer did another move, and snatched off her dress, revealing a very thin G-string.

Again the man behind our friend yelled out, "Oh baby! You're almost there!"

Our friend again turned around and said, "Hey buddy, shut the hell up, will ya!"

A few minutes later, the dancer stretched out on the floor and snatched off both the pasties and the G-string, and the whole club went wild, except for the man behind our friend. Curious, our friend turned around and asked, "Say buddy, where's your enthusiasm now?"

The guy responded, "It's all over your back, dude."

# A DOG Named SEX

Everybody I know who has a dog usually calls him "Rover" or "Spot". I call mine Sex. Now, Sex has been very embarrassing to me. When I went to the City Hall to renew the dog's license, I told the clerk that I would like a license for Sex. He said, "I would like to have one too!" Then I said, "But she is a dog!" He said he didn't care what she looked like. I said, "You don't understand. ... I have had Sex since I was nine years old." He replied, "You must have been quite a strong boy." When I decided to get married, I told the minister that I would like to have Sex at the wedding. He told me to wait until after the wedding was over. I said, "But Sex has played a big part in my life and my whole world revolves around Sex." He said he didn't want to hear about my personal life and would not marry us in his church. I told him everyone would enjoy having Sex at the wedding. The next day we were married at the Justice of the Peace. My family is barred from the church from then on.

When my wife and I went on our honeymoon, I took the dog with me. When we checked into the motel, I told the clerk that I wanted a room for me and my wife and a special room for Sex. He said that every room in the motel is a place for sex. I said, "You don't understand. ... Sex keeps me awake at night." The clerk said, "Me too!"

One day I entered Sex in a contest. But before the competition began, the dog ran away. Another contestant asked me why I was just looking around. I told him that I was going to have Sex in the contest. He said that I should have sold my own tickets. "You don't understand," I said, "I hoped to have Sex on TV." He called me a show off.

When my wife and I separated, we went to court to fight for custody of the dog. I said, "Your Honor, I had Sex before I was married but Sex left me after I was married." The Judge said, "Me too!"

Last night Sex ran off again. I spent hours looking all over for her. A cop came over and asked me what I was doing in the alley at 4 o'clock in the morning. I said, "I'm looking for Sex." -- My case comes up next Thursday.

Well now I've been thrown in jail, been divorced and had more damn troubles with that dog than I ever foresaw. Why just the other day when I went for my first session with the psychiatrist, she asked me, "What seems to be the trouble?" I replied, "Sex has been my best friend all my life but now it has left me for ever. I couldn't live any longer so lonely." and the doctor said, "Look mister, you should understand that sex isn't a man's best friend so get yourself a dog."

# TO MY Dearest Wife

During the past year, I have attempted to make love to you 365 times. I have succeeded 36 times, which is an average of only once every 10 days. The following is a list of why I didn't succeed more often:

- We will wake the kids - 54 times
- It's too late - 15 times
- I'm too tired - 42 times
- It's too early - 12 times
- It's too hot - 18 times
- Pretending to be asleep - 31 times
- The neighbors will hear - 9 times
- Headache or backache - 26 times
- Sunburn - 10 times
- Your mother will hear us - 9 times
- Not in the mood - 21 times
- Watching the late show - 17 times
- Too sore - 26 times
- New hairdo - 6 times
- Wrong time of the month - 14 times
- You had to go to the bathroom - 19 times

Of the 36 times that I DID succeed, the result was not always satisfying because 6 times you just laid there, 8 times you reminded me that there was a crack in the ceiling, 4 times you told me to hurry up and get it over with, 7 times I had to wake you up to tell you I was finished, and once I was afraid that I had hurt you because you started thrashing around and breathing heavy. Let's try to improve this, shall we??

Love, Your Hubby

# PUSSY And Bitch

A kid comes home from school and says to his mom, "Mom I've got a problem."

She says "Tell me." He tells her that the boys at school are using 2 words he doesn't understand. She asks him what they are.

He says "well, pussy and bitch".

She says "Oh That's no big deal, pussy is a cat like our little Mittens, and bitch is a female dog like our Sandy."

He thanks her and goes to visit dad in the workshop in the basement. He says to his dad, "Dad the boys at school are using words I don't know, and I asked mom and I don't think she told me the exact meaning.

Dad says "Son, I told you never to go to mom with these matters, she cant handle them. What are the words?"

He tells him...pussy and bitch.

Dad says "OK" and pulls a Playboy down from the shelf, takes a marker and circles the pubic area of the centerfold and says, "son, everything inside this circle, is pussy."

"OK dad, so what's a bitch?"

"Son" he says, "everything outside that circle."

# BY The Seaside

Goldie was sitting on a beach in Florida, attempting to strike up a conversation with the attractive gentleman reading on the blanket beside hers.

"Hello, sir," she said, "Do you like movies?"

"Yes, I do," he responded, then returned to his book.

Goldie persisted. "Do you like gardening?"

The man again looked up from his book. "Yes, I do," he said politely before returning to his reading.

Undaunted, Goldie asked. "Do you like pussycats?" With that, the man dropped his book and pounced on Goldie, ravaging her as she'd never been ravaged before.

As the cloud of sand began to settle, Goldie dragged herself to a sitting position and panted, "How did you know that was what I wanted?"

The man thought for a moment and replied, "How did you know my name was Katz?"

# Bob The Sperm

Once there was a sperm named Bob. When all the other sperm were just swimming around, Bob was doing sprints and lifting weights all the other sperms asked him one day, "Why don't you just swim around like us?"

Bob replied, with a smirk, "well, when the time comes, I'm gonna be the first one there".

The others told him it was just destiny, but he said it wasn't. So, the day finally came when they were called upon. They were swimming along when Bob pulled ahead of the rest. Suddenly he stopped and turned around and headed back.

The others asked him why he turned around and he said, "back up boys it's a BLOW JOB!"

# Biting Back

I've been without hair so long  
I forgot what I looked like

One morning while making breakfast, a man walks up to his wife and pinches her on her butt and says, "You know if you firmed this up we could get rid of your girdle."

While this was on the edge of intolerable, she thought herself better and replied with silence.

The next morning the man woke his wife with a pinch on the breast and said, "You know if you firmed these up we could get rid of your bra."

This was beyond a silence response, so she rolled over and grabbed him by the penis. With a death grip in place she said, "You know if you firmed this up we could get rid of your brother."

# Viagra JOKE

Two elderly men were talking about Viagra. One had never heard of it and asked the other what it was for. "It's the greatest invention ever," he said. "It makes you feel like a man of 30." "Can you get it over the counter?" "Probably - if you took two."

Did you hear about the side-effects of the Viagra pill for men? If you swallow it slowly, you'll get a stiff neck.

What do you get if you mix Viagra and Prozac? - A guy who is ready to go but doesn't really care where.

Why is Viagra like Disneyland? - You have to wait an hour for a three minute ride.

A man was prescribed Viagra by his doctor who told him to take it one hour before sex. The man collected his prescription and went home to wait for his wife to get in from work. An hour before she was due home, he took the Viagra pill. But just as he was expecting her, she phoned to say that she wouldn't be in for another two and a half hours. In a panic,

he phoned the doctor. "What should I do?" he asked. "I've taken the pill but the effects will have worn off by the time my wife gets home." "I see," said the doctor. "It is a pity to waste it. Do you have a maid?" "Yes." "Well, could you not occupy yourself with her instead?" "But I don't need Viagra with the maid."

# HOUR OF PLEASURE

The Dean of Women at an exclusive girls' school was lecturing her students on sexual morality.

"We live today in very difficult times for young people. In moments of temptation," she said, "ask yourself just one question: Is an hour of pleasure worth a lifetime of shame?"

A young woman rose in the back of the room and said, "Excuse me, but how do you make it last an hour?"

## 80 Year Old Virgin

"You're one sick puppy, Nadine"

There is an 80 year old virgin who suddenly gets an itch in her crotch area. She goes to the doctor who checks her out and tells her she has crabs. She explained that she couldn't have crabs because she was a virgin, but the doctor didn't believe her, so she went to get a second opinion.

The second doctor gave her the same answer. So she went to a third doctor and said "Please help me. This itch is killing me and I know that I don't have crabs because I'm a virgin".

The doctor checks her out and says "I have good news and bad news. The good news is you don't have crabs, the bad news is that your cherry rotted and you have fruit flies."

# Income Taxes

One day, this man, Tony, died. When he was sent to be judged, he was told that he had committed a sin, and that he could not go to heaven right away. He asked what he did and God told him that he cheated on his income taxes, and that the only way he could get into heaven would be to sleep with a 500 pound, stupid, butt-ugly woman for the next five years and enjoy it. Tony decided that this was a small price to pay for an eternity in heaven. So off he went with this enormous woman, pretending to be happy.

As he was walking along, he saw his friend Carlos up ahead. Carlos was with an even bigger, uglier woman than he was with. When he approached Carlos he asked him what was going on, and Carlos replied, "I cheated on my income taxes and scammed the government out of a lot of money...even more than you did." They both shook their heads in understanding and figured that as long as they have to be with these women, they might as well hang out together to help pass the time.

Now Tony, Carlos, and their two beastly women were walking along, minding their own business when Tony and Carlos could have sworn that they saw their friend Jon up ahead, only this man was with an absolutely drop dead gorgeous supermodel / centerfold. Stunned, Tony and Carlos approached the man and in fact it was their friend Jon. They asked him how is he with this unbelievable goddess, while they were stuck with these god-awful women.

Jon replied, "I have no idea, and I'm definitely not complaining. This has been absolutely the best time of my life (and I'm dead,) and I have five years of the best sex any man could hope for to look forward to. There is only one thing that I can't seem to understand. After everytime we have sex, she rolls over and murmur's to herself, "Damn income taxes!"

# SHOPPING EXPEDITION

A married couple was on holiday in Pakistan. They were touring around the marketplace looking at the goods and such, when they passed a small sandal shop. From inside they heard a gentleman with a Pakistani accent say, "You foreigners Come in. Come into my humbleshop." So the married couple walked in.

The Pakistani man said to them, "I have some special sandals I think you'd be interested in. They make you wild at sex like a great desert camel."

Well, the wife was really interested in buying the sandals after what the man had claimed, but her husband felt he really didn't need them, being the sex hero he was. The husband asked the man, "how could sandals make you into a sex freak?"

The Pakistani man replied, "Why don't you try them on and see for yourself?" Well, the husband, after much badgering from his wife, finally conceded to try them on. As soon as he slipped them onto his feet, he got

this wild look in his eyes; something his wife hadn't seen in many years -- raw sexual power.

In a blink of an eye, the husband rushed the Pakistani man, threw him on the table and started tearing at the guy's pants.

All the time the Pakistani man was screaming, "YOU HAVE THEM ON THE WRONG FEET YOU HAVE THEM ON THE WRONG FEET"

"Well," she said. "The first time I married an octogenarian and he died before we could consummate the marriage."

"The second time I married a naval officer and war broke out on our wedding day."

"The third time I married a Microsoft Windows programmer and he just sat on the edge of the bed and kept telling me how good it was going to be."

# The Free Beer

A new guy in town walks into a bar and reads a sign that hangs over the bar: FREE BEER FOR THE PERSON WHO CAN PASS THE TEST! So the guy asks the bartender what the test is.

Bartender: "Well, FIRST you have to drink that whole gallon of pepper tequila, the WHOLE thing at once AND, you can't make a face while doing it. SECOND, there's a 'gator out back with a sore tooth...you have to remove it with your bare hands. THIRD, there's a woman up-stairs who's ever had an orgasm. You gotta make things right for her.

Man: Well, as much as I would love free beer, I won't do it. You have to be nuts to drink a gallon of pepper tequila and the requirements get crazier from there.

Well, as time goes on and the man drinks a few, he asks, "Wherez zat teeqeelah?" He grabs the gallon of tequilla with both hands, and downs it with a big slurp and tears streaming down his face. Next he staggers out back and soon all the people inside hear the most frightening roaring and thumping, then silence. The man

staggers back into the bar, his shirt ripped and big scratches all over his body. "Now" he says "Where's that woman with the sore tooth?"

# SEX PROBLEM

A bloke goes to the doctor and says, "I got this sex problem, doc". "Well", says the quack, "Tell me about your average day". "Well, it all starts in the middle of the night. My wife always wakes me up about 3:00 am for nookie and then again about 5 o'clock so we can spend a couple of hours making love before I go to work".

"Oh I see", said the doc. "No, hang on", said the man, "...you see, when I get on the train to work I meet this girl every day and we get a compartment to ourselves and have sex all the way there".

"Oh....now I see", said the quack. "No you don't", said our hero. "When I get to work my secretary really fancies me and I have to give her one in the storeroom".

"Oh....now I see", said the quack. "No no no", he said. "When I go to lunch I meet this dinner lady I'm very fond of and we nip out the back for a quickie".

"Now I understand", said the patient doctor. "No, hang on", said the bloke. "When I get back to

work in the afternoon my boss, a very demanding lady I might add, has to have me or she says she'll give me the sack".

Ahh....", said the doctor, "now I see..". "No, there's more", said our man, "when I get home my wife is so pleased to see me she gives me a blow job before dinner and then we have sex afterwards".

"What's your problem?". asked the doc. "Well...", said our hero, "it hurts when I masturbate"

# 18 TO HELL

A man dies and goes to Hell. The devil greets him, "You may choose which room you wish to enter. Whichever you choose, the person in that room will switch with you. They'll go to heaven and you'll take over until somebody switches with you. So go on, pick a room."

The devil leads him to the first room where someone is tied to a wall and is being whipped. The second room has someone being burned by a torch. The third has a man getting blown by a naked woman.

"I choose this room!" the man says.

"Very well," the devil says. He walks up to the woman and taps her on the shoulder.

"You can go now. I've found you're replacement."

# Almost Married

A young fellow was about to be married and was asking his grandfather about sex. He asked how often you should have it. His grandfather told him that when you first get married, you want it all the time....and maybe do it several times a day.

Later on, sex tapers off and you have it once a week or so. Then as you get older, you have sex maybe once a month.

When you get really old, you are lucky to have it once a year....maybe on your anniversary.

The young fellow then asked his grandfather, "Well how about you and grandma now?"

His grandfather replied, "Oh, we just have oral sex now."

"What's oral sex?" the young fellow asked.

"Well," grandpa said, "She goes to bed in her bedroom, and I go to bed in my bedroom. And she yells, "Fuck You", and I holler back, "Fuck you too."

# Social Security Sex

Two old men sitting on a park bench were talking as they were watching quite a few sexy female joggers pass by.

"So, how's your sex life?" one asked.

"Oh, nothing special. I'm having Social Security sex." The other commented.

"Social Security sex?" The first man asked in concern.

"Yeah, you know: I get a little each month, but not enough to live on!"

# LOUD SEX

A wife went in to see a therapist and said,

"I've got a big problem, doctor. Every time we're in bed and my husband climaxes, he lets out this ear splitting yell."

"My dear," the shrink said, "that's completely natural. I don't see what the problem is." "The problem is," she complained, "It wakes me up!"

## SOLO SEX

A married couple spent many years in bed, in the park and even the dressing room at the shopping mall clothing store.

Finally their sex life became dull and drab. They simply ran out of Ideas. The husband began shopping at the Adult book store and found some toys to spice things up.

"What do you have here?" The wife asked.

Well, I bought you a 10 inch dildo and me a dime sized hairy pussy pumper. She smiled in total excitement.

Snatching the dildo from his hand she began ridding the toy like it was a carnival ride. She was so happy with her new toy that he told her were he bought it. He enjoyed his toy also. The husband made more visits to the sex shop, but never came home with anything.

Tired of a listless sex life, the man came right out and asked his wife during a recent lovemaking session, "How come you never tell me when you have an orgasm?" She glanced at him casually and replied, "You're never home!"

# CONFOUNDED SEX

A man was in a terrible accident, and his "manhood" was mangled and torn from his body. His doctor assured him that modern medicine could give him back his manhood, but that his insurance wouldn't cover it, since it was considered cosmetic. The doctor said the cost would be \$3,500 for "small, \$6,500 for "medium, \$14,000 for "large."

The man was sure he would want a medium or large, but the doctor urged him to talk it over with his wife a few days before he made any decision.

The man talked to his wife when he arrived at home

and explained their options. He went back to the hospital and the doctor came into the room, and found the man looking dejected. "Well, what have the two of you decided?" asked the doctor. The man answered, "She'd rather remodel the kitchen".

# Wedding Anniversary Sex

A husband and his wife had a bitter quarrel on the day of their 40th wedding anniversary. The husband yells, "When you die, I'm getting you a headstone that reads:

'Here Lies My Wife - Cold As Ever'."

"Yeah," she replied, "When you die, I'm getting you a headstone reads:

'Here Lies My Husband - Stiff At Last.'

# WOMANS HOUR

Relax, Lady! it's delivered in a plain brown wrapper, see !?!

My husband came home with a tube of K Y jelly and said, "This will make you happy tonight." He was right. When he went out of the bedroom, I squirted it all over the doorknobs. He couldn't get back in.

A couple is lying in bed. The man says, "I am going to make you the happiest woman in the world." The woman says..... "I'll miss you."

A man told his wife that he bought her a great, big, juicy, mail-order dildo. She asked, "How long til it cums?"

# Shakie Shakie

An elderly woman moves into a nursing home. Her daughter helps her unpack and get settled in. After a few days, the woman notices a male resident who sits out on the porch every day, all by himself. She decides to go over and talk to him.

She asks if she can sit with him awhile. He looks at her for a second and says, "Yeah, you can, but only if you'll hold my dick." At first she's horrified and outraged. But then she thinks, "He's lonely, I'm lonely..." Finally, she agrees. She gets a blanket to put over their laps and she sits next to him every day, holding his dick.

After a few weeks, her daughter comes to take her mother for a weekend visit. When the woman returns to the nursing home, the first thing she sees is the man on the porch next to another elderly woman. They have a blanket across their laps. The first woman knows what the second woman is doing. She storms up the steps and starts yelling at the man.

"What does SHE have that I don't have?!" she screams.

The man just smiles and says, "Parkinson's."

# Oral Sex Disaster

THE ART OF BLOWING

An old man's wife is in coma at the hospital, and one day the doctor walks in to change her IV bag.

While doing so, he accidentally grazes dreamingly at her breast and she moans. Happily, the doctor runs to the husband and tells him what had happened and tells him to perform oral sex on her because it might liven her up a bit.

The husband frantically runs in the room and quickly pulls out her choppers and starts performing oral sex on her, but he comes back out 20 minutes later, very sad looking.

"Well... what happened," the doctor asks.

"She's dead," the husband starts crying.

"Why?" the doctor says.

"She choked."

# GangGreene

Harry goes to the doctor's and sits in a queue between two other guys. They start talking and one admits to having a red ring round the top of his penis. Harry then admits that he too has a line round the top of his penis, but it's green. The third guy admits that this ring he has is orange.

The doctor calls in the first guy with the red ring, leaving Harry and the other sufferer nervously awaiting their fate.

There's no noise and after about 15 minutes the guy re-appears with a big grin on his face. "Nothing to it," he said. The doctor re-appeared and called the guy with the orange ring into the consulting room.

"So what happened," inquired Harry. "Piece of cake" the other guy replies. "The Doctor examined the problem, coated on some cream and after ten minutes told me to wash it all off. And that was it! The ring had gone!"

The other guy appears and starts to tell the same story and of the similar treatment just as the Doctor calls for Harry. Harry wanders in, full of confidence, drops his trousers and asks where the cream is kept. The Doctor looks at Harry over the top of his glasses, picks up a wooden spatula, and proceeds to examine Harry's appendage with great concern. "I've got some bad news for you Harry," the Doctor pronounces, "we will have to amputate your penis as soon as possible!"

Harry sinks into a chair in disbelief and horror. "Can't you just give me the cream like you did for the other two guys. They've recovered OK."

"Well Harry," says the doc, "there's all the difference in the world between removing lipstick and dealing with gangrene!"

## TOO FAR IN

A young couple was out carousing one evening. While driving down the highway, the guy says to the girl, "If I go 100 miles and hour, will you take off all your clothes?" She agrees and he begins to speed up.

When the speedometer hits 100 she starts to strip. When she gets all her clothes off, he is so busy staring at her that he drives off the road and flips the car over.

The girl is thrown clear without a scratch but her clothes and her boyfriend are trapped in the car. "Go get help," he pleads.

She replies, "I can't, I'm naked."

He points to his shoe that was thrown clear and says, "Cover your crotch with that and go get help from that gas station down the road."

She takes the shoe, covers herself between the legs, and runs to the gas station down the road. When she arrives, she is frantic and yells to the attendant, "Help! Help! My boyfriend's stuck!"

The attendant looks down at the shoe covering her crotch and replies with some astonishment, "I think it's too late- he's too far in!"

# All StOOD UP

A guy walks into a pharmacy and says to the pharmacist, "Listen, I have three girls coming over tonight. I've never had three girls at once, and I need something to keep me horny... keep me potent."

The pharmacist reaches under the counter, unlocks the bottom drawer and takes out a small cardboard box marked with a label "Viagra Extra Strength" and said, "Here, if you eat this, you'll go nuts for twelve hours."

The guy says, "Gimme three boxes."

The next day the guy walks into the same pharmacy, goes up to the pharmacist and pulls down his pants. The pharmacist looks in horror as he notices the man's penis is black and blue, and the skin is hanging off in some places.

The man says, "Gimme a bottle of Ben Gay."

The pharmacist replies, "Ben Gay? You're not going to put Ben Gay on that are you?"

The man says, "No, it's for my arms - the girls didn't show up."

# TURNER BROWN

A little guy goes into an elevator, looks up and sees this HUGE guy standing next to him. The big guy sees the little guy staring at him, looks down and says, "7 feet tall, 350 pounds, 15 inch penis, 2 lb. left testicle, 2 lb. right testicle, Turner Brown." The small guy faints dead away and falls to the floor.

This big dude kneels down and brings him to, slapping his face and shaking him, "What's wrong with you?" In a very weak voice, the little guy says, "Excuse me, but what EXACTLY did you say to me?"

The big dude says, "I saw the curious look on your face and figured I'd just give you the answers to the questions everyone always asks me. I'm 7 feet tall, 350 pounds, 15 inch penis, 2 lb. left testicle, 2 lb. right testicle, and my name is Turner Brown."

The small guy says, "Thank God! I thought you said Turn Around!"

# A FOOT AND A HALF

An Italian woman married an Italian man. The Italian tradition for newlyweds is to remain virgins until they're married and then sleep at the girl's mother's house on their wedding night.

After the wedding, the newlyweds went back to her mother's house. The man went up stairs and the woman stayed to talk to her mom. She said, "I don't want to go up there."

Her mom said, "He's a good man. Go upstairs and he'll treat you well."

When she got upstairs, the man took off his shirt.

She ran back downstairs and said, "Mamma! Mamma! He has a hairy chest!"

Her mom said, "All good men have hairy chests. Go upstairs and he will treat you well."

When she got upstairs, he took off his pants.

She ran back downstairs and said, "Mamma! Mamma! He has hairy legs!"

Her mom said, "All good men have hairy legs. Go upstairs and he will treat you well."

When she got upstairs he took off his socks. She noticed that half his foot was missing. She ran downstairs and said, "Mamma! Mamma! He has a foot and a half!"

Her mom said, "Stay here! This is job for Mamma!"

# The morning After

It's the morning after the honeymoon, and the wife says, "You know, you're really a lousy lover." The husband replies, "How can you tell after only 30 seconds?"

# MY DOG NAMED SEX

Everybody who has a dog calls him "Rover" or "Boy". I call mine "Sex." He is a great pal, but he has caused me a great deal of embarrassment. When I went to city hall to renew his dog license, I told the clerk I would like a license for Sex. He said, "I'd like one, too!" Then, I said "But this is a dog." He said he didn't care what she looked like. Then, I said, "You don't understand. I've had Sex since I was 9 years old." He winked and said, "You must have been quite a kid."

When I got married and went on my honeymoon, I took the dog with me. I told the motel clerk that I wanted a room for my wife and me and a special room for Sex. He said, "You don't need a special room. As long as you pay your bill, we don't care what you do." I said, "Look, you don't seem to understand. Sex keeps me awake at night." The clerk said, "Funny - I have the same problem."

One day, I entered Sex in a contest, but before the competition began, the dog ran away. Another contestant asked me why I was just standing there, looking disappointed. I told him I had planned to have Sex in the contest. He told me I should have sold my own tickets. "But you

don't understand," I said. "I had hoped to have Sex on TV." He said, "Now that cable is all over the place, it's no big deal any more."

Last night, Sex ran off again. I spent hours looking around town for him. A cop came over to me and asked, "What are you doing in this alley at 4 o'clock in the morning?" I told him I was looking for Sex. My case comes up Friday.

# Revolutionary Inventors

Henry Ford dies and goes to heaven. At the gates, the guy tells Ford, "Well, you've been such a good guy and your invention the car changed the world. As a reward, you can hang out with anyone you want in heaven."

So Henry Ford thinks about it and says, "I want to hang out with Adam, the first man." So the guy at the gates points Adam out to Ford. When Ford gets to Adam, Ford asks, "Hey aren't you the inventor of woman?" Adam says, "Yes."

"Well," says Ford, "You have some major design flaws in your invention:

- 1) There is too much front end protrusion
- 2) It chatters at high speeds
- 3) The rear end wobbles too much
- 4) and the intake is too close to the exhaust."

"Hmmmmm.." says Adam, "Hold on." So Adam goes to the celestial computer, types in a few keystrokes, and waits for the results. The computer prints out a slip of paper and Adam reads it. He then says to Ford, "It may be that my invention is flawed, but according to the stellar computer, more men are riding my invention than yours."

# Native Temptations

A newly married sailor was informed by the Navy that he was going to be stationed a long way from home on a remote island in the Pacific for a year.

A few weeks after he got there he began to miss his new wife, so he wrote her a letter.

"My love," he wrote, "we are going to be apart for a very long time. Already I'm starting to miss you and there's really not much to do here in the evenings. Besides that we're constantly surrounded by young attractive native girls. Do you think if I had a hobby of some kind I would not be tempted?"

So his wife sent him back a harmonica saying,

"Why don't you learn to play this?" Eventually his tour of duty came to an end and he rushed back to his wife. "Darling" he said, "I can't wait to get you into bed so that we make passionate love!" She kissed him and said, "First let's see you play that harmonica."

# Drilling Rights

A young, fat, streetsmart, brunette married a skinny rich Texas oil tycoon. Two months later he asked her to bend over so he could inspect her land line.

Needless to say, she was very cautious and apprehensive about flipping over and being inspected, but she did it anyways.

"Looks like a winner!" The Texas tycoon said.

The Woman quickly turned around and replied, "Your not using that tiny piledriver. Are you?"

Storming into his lawyer's office, the Texas oil tycoon demanded that some divorce proceedings begin at once against his young bride. "What's the problem?"

"I want to hit that adulterin' bitch for breach of contract," snapped the oil man. "I don't know if that will fly," said the lawyer. "I mean your wife isn't a piece of property; you don't own her!"

"Damn right," the tycoon rejoined, "but I sure as hell expect exclusive drillin' rights!

# PSYCHOLOGY MAJOR

A guy goes in a bar and orders for a beer. After a while this really gorgeous woman walks in and sits beside him. He starts thinking about talking her into bed with him and kindly turns to her, "Hi. Would you like me to buy you a drink?"

The woman turns to him and screams to the top of her lungs: "WHAT? YOU WANT TO FUCK ME? NO WAY!"

Every discussion in the bar suddenly stops and all the people are staring at the guy as the woman was leaving. The guy gets really embarrassed and stands still on his stool as if nothing had happened. After a while the same woman walks in, approaches him and tells him, "I'm sorry about that little incident but you see I'm a psychology graduate and I wanted to see how people react to embarrassing situations."

The guy then yells: "WHAT? TWO HUNDRED BUCKS FOR A BLOWJOB?"

## 3 NEWLYWED WIVES

Three recently married couples spend their honeymoon's first night in the same hotel.

The next morning all three of the women meet in the hall and decide to have a little breakfast together and to gossip about their wedding night, although one of them claims she won't be eating anything.

The first starts enthusiastic, "Last night my husband put his whole hand inside me!"

The second bride, not surprised at all, proudly takes her turn at once, "Mhuh... my husband put his whole arm inside me!"

Then, both women look at the third one who, although moving very clumsily, stares at them with ambiguous satisfaction in her whole body, looks down on her hip and cries out to it, "Hey John, come out and say hello to Sarah and Pam!"

# Little BOYS FROG

There was a 12 year old boy named David. He had heard about this house where you could go and have sex with any woman. There was one woman who had herpes. But, she was the most beautiful woman you had ever seen. Most of the town has herpes because they had fucked her.

Well, one day the little boy was dragging a dead frog on a string up to the door of the house. When a woman answered he said that he would like to have sex with the one lady that has herpes. Looking astonished the woman agrees.

An hour and half later the boy is ready to leave. He is still carrying his frog. The woman, curious, asks the little boy why he is carrying the dead frog.

The little boy responded and said, "Well if you must know, when my mom and dad go out tonight they're going to leave me at home with the babysitter, who is very fond of little boys. When my mom and dad get home, dad will drive the babysitter home and he'll have a quickie with her, then he'll come back home and screw my mom, then in the morning when my dad goes to work, my mom will take a long time in the kitchen with the milkman. And that is the mother fucking bastard who ran over my fucking frog!"

# HOW Did It Happen

The doctor asked the middle-aged farmhand as he set the man's broken leg.

"Well, doc, 25 years ago ..."

"Never mind the past. Tell me how you broke your leg this morning."

"Like I was saying...25 years ago, when I first started working on the farm, that night, right after I'd gone to bed, the farmer's beautiful daughter came into my room. She asked me if there was anything I wanted.

I told her, "No, everything is fine."

"Are you sure?" she asked.

"I'm sure," I said.

"Isn't there anything I can do for you?" she wanted to know.

"I reckon not," I replied.

"Excuse me," said the doctor, "What does this story have to do with your leg?"

"Well, this morning," the farmhand explained, "when it dawned on me what she meant, I fell off the roof!"

# Why Chocolates Better than Sex

You can GET chocolate.

"If you love me you'll swallow that" has real meaning with chocolate.

Chocolate satisfies even when it has gone soft.

You can safely have chocolate while you are driving.

You can make chocolate last as long as you want it to.

You can have chocolate even in front of your mother.

If you bite the nuts too hard the chocolate won't mind.

Two people of the same sex can have chocolate without being called nasty names.

The word "commitment" doesn't scare off chocolate.

You can have chocolate on top of you workbench/desk during working hours without upsetting your co-workers.

You can ask a stranger for chocolate without getting your face slapped.

You don't get hairs in your mouth with chocolate.

With chocolate there's no need to fake it.

Chocolate doesn't make you pregnant.

You can have chocolate at any time of the month.

Good chocolate is easy to find.

You can have as many kinds of chocolate as you can handle.

You are never too young or too old for chocolate.

When you have chocolate it does not keep your neighbors awake.

With chocolate size doesn't matter.

Tiger Woods drives his Buick into a Petrol Station in Cork during his tour of Ireland. The attendant at the pump greets him in a typical Irish manner, unaware as to who the golf pro is, "Top o the morning to you young fella!"

As Tiger leans over to get out of the car two tees fall out of his top pocket onto the ground.

"What are dey, son?" asks the attendant.

"They're called tees" replies Tiger Woods.

# Chinese Torture Test

A man was out in the Chinese wilderness and he was hopelessly lost.

It had been nearly three weeks since he had eaten anything besides what he could forage and he had been reduced to sleeping in caves and under trees.

One afternoon he came upon an old mansion in the woods. It had vines covering most of it and the man couldn't see any other buildings in the area. However, he saw smoke coming out of the chimney.

He knocked on the door and an old man with a beard almost down to the ground answered. The old man squinted his eyes and asked, "What do you want?"

The man said, "I've been lost for the past three weeks and haven't had a decent meal or sleep since that time. I would be most gracious if I could have a meal and sleep in your house for tonight."

The old Chinese man said, "I'll let you come in on one condition. You absolutely cannot mess around with my granddaughter."

The man, exhausted and hungry, readily agreed. "I promise I won't cause you any trouble. I'll be on my way

tomorrow morning."

The old Chinese man replied, "Okay, but if I do catch you then I'll give you the three worst Chinese torture tests ever known to man."

"Okay, Okay," the man said as he entered the old house.

That night, when the man came down to eat (after showering), he saw how beautiful the granddaughter was. She was an absolute pearl, and while he had only been lost three weeks, he had gone many, many months without sex. The girl had only seen the occasional monk besides her grandfather. They couldn't keep their eyes off each other throughout the meal. That night, the man snuck into the girl's bedroom and they had quite a time.

The man crept back to his room later that night, thinking to himself, "Any three torture tests would be worth it after that experience."

The next morning the man awoke to a heavy weight on his chest. He opened his eyes and there was this huge rock on his chest. On the rock was a sign that said, "First Chinese torture test: 100-pound rock on your chest."

"What a lame torture test," the man thought to himself as he got up and walked over to the window. He opened the shutter and threw the rock out.

On the backside of the rock was another sign saying, "Second Chinese torture test: right testicle tied to rock."

The rock was too far out the window to be grabbed, so he quickly jumped out the window after the rock. Outside the window was a third sign saying, "Third Chinese torture test: left testicle tied to bedpost."

# Privates

"HOW COME WE ALWAYS HAVE TO BE ON THE SKINS TEAM?"

Toby and Chris have been promoted from privates to sergeants.

Not long after, they're out for a walk and Toby says, "Hey, Chris, there's the Officer's Club. Let's you and me stop in."

"But we're privates," protests Chris.

"We're sergeants now," says Toby, pulling him inside. "Now, Chris, I'm gonna sit down and have me a drink."

"But we're privates," says Chris.

"You blind?" asks Toby, pointing at his stripes. "We're sergeants now."

So they have their drink, and pretty soon a hooker comes up to Toby. "Your cute," she says, "and I'd like to screw you, but I've got a bad case of

gonorrhoea." Toby pulls his friend to the side and whispers, "Chris, go look in the dictionary and see what 'gonorrhoea' means. If it's okay, give me the okay sign."

So Chris goes to look it up, comes back, and gives Toby the big okay sign.

Three weeks later Toby is laid up in the infirmary with a terrible case of gonorrhoea.

"Chris," he says, "Why'd you give me the okay?"

"Well, Toby, in the dictionary, it say gonorrhoea affects only the privates." He points to his stripes. "But we're sergeants now."

# Old Man And His Penis

An old man walked into a crowded doctor's office. As he approached the desk, the receptionist asked, "Yes sir, may we help you?"

"There's something wrong with my penis," he replied.

The receptionist became irritated and said, "You shouldn't come into a crowded office and say things like that."

"Why not? You asked me what was wrong and I told you," he said.

"Because" replies the receptionist. "You've obviously caused some embarrassment in this room full of strangers. You should have said there is something wrong with your ear or something and discussed the problem further with the doctor in private."

The man walked out, waited several minutes and reentered. The receptionist smiled smugly and asked "Yes?"

"There's something wrong with my ear" he stated.

The receptionist nodded approvingly. "And what is wrong with your ear sir?"

"I can't piss out of it," the man replied!!!

Astonished, Sean thought how nice it would be to swing like that.

Later that night.....

Sean and his buddy Jason were in a bar, and they went into the toilet to take a leak.

While standing at the urinal Sean confessed, "I wish I had a dick like my cousin James. He needs four fingers to hold his."

The little boy replied, "well last night daddy came into my bedroom and asked me for the Vaseline and I gave him super glue."

# Buttons On The Airplane

On a flight to Chicago, a gentleman had made several attempts to get into the men's restroom, but it had always been occupied. The flight attendant noticed his predicament. "Sir, she said, "You may use the ladies room if you promise not to touch any of the buttons on the wall."

He did what he needed to, and as he sat there he noticed the buttons he had promised not to touch. Each button was identified by letters: WW,WA,PP and a red one labeled ATR. Who would know if he touched them? He couldn't resist. He pushed WW. Warm water was sprayed gently upon his bottom. What a nice feeling, he thought. Men's restrooms don't have nice things like this.

Anticipating greater pleasure, he pushed the WA button. Warm air replaced the warm water, gently drying his underside. When this stopped, he pushed the PP button. A large powder puff caressed his bottom adding a fragile scent of spring flowers to this unbelievable pleasure. The ladiesrestroom was more than a restroom, it is tender loving pleasure.

When the powder puff completed it's pleasure, he couldn't wait to push the ATR button which he knew would be supreme ecstasy. Next thing He knew he was in a hospital as soon as he opened his eyes. A nurse was staring down at him with a smirk on her face.

"What happened?!" he exclaimed. "You pushed one too many buttons," replied the nurse.

# The Cheese Sandwich

A guy walks into a pub and sees a sign hanging over the bar which read:

Cheese Sandwich: \$1.50  
 Chicken Sandwich: \$2.50  
 Hand Job: \$10.00

Checking his wallet for the necessary payment, he walks up to the bar and beckons one of the three exceptionally attractive blondes serving drinks to an eager-looking group of men.

"Yes?" she inquires with a knowing smile, "can I help you?"

"I was wondering", whispers the man, "are you the one who gives the hand-jobs?"

"Yes", she purrs, "indeed I am."

The man replies "Well then, wash your hands, I want a cheese sandwich!"

# Three Labradors

Three Labrador retrievers, chocolate, yellow, and black, are sitting in the waiting room at the vet's office when they strike up a conversation.

The black lab turns to the chocolate and says, "So why are you here?"

The chocolate lab replies, "I'm a pisser. I piss on everything – the sofa, the drapes, the cat, the kids. But the final straw was last night, when I pissed in the middle of my owner's bed."

The black lab says, "So what is the vet going to do?"

"Gonna give me Prozac," came the reply from the chocolate lab. "All the vets are prescribing it. It works for everything."

The black lab then turns to the yellow lab and asks, "Why are you here?"

The yellow lab says, "I'm a digger. I dig under fences, dig up flowers and trees, I dig just for the hell of it. When I'm inside, I dig up the carpets. But I went over the line last night when I dug a great big hole in my owner's couch."

"So what are they going to do to you?" the black lab inquired.

"Looks like Prozac for me too," the dejected yellow lab said.

Then the yellow lab turns to the black lab and asks what he's at the vet's office for.

"I'm a humper," the black lab says. "I'll hump anything. I'll hump the cat, a pillow, the table, fire hydrants, whatever. I want to hump everything I see. Yesterday, my owner had just got out of the shower and was bending down to dry her toes, and I just couldn't help myself I hopped on her back and started humping away."

The yellow and chocolate labs exchange a sad glance and say, "So, Prozac for you too, huh?"

The black lab says, "No, I'm here to get my nails clipped."

# LOW SPERM COUNT

A 70 year old man went to his doctor's office to get a sperm count. The doctor gave the man a jar and said, "Take this jar home and bring me back a sample tomorrow." The next day the 70 year old man reappears at the doctor's office and gives him the jar, which is as clean and empty as on -- the previous day.

The doctor asked what happened and the man explains: "Well, doc, it's like this: First I tried with my right hand, but, nothing. Then I tried with my left hand, but still nothing. Then I asked my wife for help. She - tried with her right hand, with nothing. Then her left, but nothing. She - even tried with her mouth, first with the teeth in, then with the teeth-out, and still nothing. We even called up the lady next door and she tried with both hands and her mouth too, but nothing."

The doctor was shocked! "You asked your neighbor?" the old man replied, "yep, but no matter what we tried we couldn't get the DARN jar open!"

# Artificial Insemination

A farmer buys several pigs, hoping to breed them for ham, bacon, etc.... After several weeks, he notices that none of the pigs are getting pregnant, and calls a vet for help. The vet tells the farmer that he should try artificial insemination. The farmer doesn't have the slightest idea what this means but, not wanting to display his ignorance, only asks the vet how he will know when the pigs are pregnant.

The vet tells him that they will stop standing around and will, instead, lay down and wallow in the mud when they are pregnant.

The farmer hangs up and gives it some thought. He comes to the conclusion that artificial insemination means he has to impregnate the pigs. So, he loads the pigs into his truck, drives them out into the woods, has sex with them all, brings them back and goes to bed.

Next morning, he wakes and looks out at the pigs. Seeing that they are all still standing around, he concludes that the first try didn't take, and loads them in the truck again. He drives them out to the woods, bangs each pig twice for good measure, brings them back and goes to bed.

Next morning, he wakes to find the pigs still just standing around. One more try, he tells himself, and proceeds to load them up and drive them out to the woods. He spends all day shagging the pigs and, upon returning home, falls listlessly into bed.

The next morning, he cannot even raise himself from the bed to look at the pigs. He asks his wife to look out and tell him if the pigs are laying in the mud.

"No," she says, "they're all in the truck and one of them's honking the horn."

my cold, silent, one-eyed friend!"*

"Well..." the man drawled, "not bad at all to be honest. The wife ain't all that interested anymore, so I just cruise around. In the past week I was able to pick-up and bed at least three girls, none of whom were over thirty years old."

"My goodness Frank, and at your age too." the doctor said. "I hope you took at least some precautions."

"Yep. I may be blind, but I ain't senile yet doc. I gave 'em all a phony name."

The Bouncer, a very attractive guy, explains to them how it works. "We have 5 floors... go up floor by floor, and once you find what you are looking for, you can stay there. It's easy to decide, since each floor has signs telling you what's inside." So they start going up, and on the first floor the sign reads, "All the men here are horrible lovers, but they are sensitive and kind"... the friends laugh and, without hesitation, move on to the next floor. The sign on the second floor reads, "All the men here are wonderful lovers, but they generally treat women badly." This wasn't going to do, so the friends move up to the third floor where the sign read, "All the men here are great lovers and sensitive to the needs of women." This was good, but there were still two more floors. On the fourth floor, the sign was perfect: "All the men here have perfect builds; are sensitive and attentive to women; are perfect lovers; they are also single, rich and straight." The women seemed pleased, but they decide that they would rather see what the fifth floor had to offer before they settled for the

fourth. When they reach the fifth floor, there is a sign that reads: "There are no men here. This floor was built only to prove that it is impossible to please a woman."

"Twice a day," the therapist guesses, but is surprised when the man says no. "Once a day, then?"

Again the answer is no.

"Twice a week?"

"No."

"Twice a month?"

The farmer, saddened by the loss of such a colorful animal, shakes his head and says, "Oh Randy, I told you to pace yourself. I tried to get you to slow down, now look what you've done to yourself."

About a week later, Julie came to John and said, "Ever since your mother came to dinner, I've been unable to find the beautiful silver gravy ladle. "You don't suppose she took it, do you?" Julie said, "Well, I doubt it, but I'll write her a letter just to be sure."

So he sat down and wrote: "Dear Mother, I'm not saying you 'did' take a gravy ladle from my house, and I'm not saying you 'did not' take a gravy ladle. But the fact remains that one has been missing ever since you were here for dinner."

Several days later, John received a letter from his mother which read: "Dear Son, I'm not saying that you 'do' sleep with Julie, and I'm not saying that you 'do not' sleep with Julie. Our man took one in each hand, and proceeded to rub his face against them in total ecstasy. This went on for several minutes, until the husband got annoyed. "Here's a couple of bags. You'll also need a lawn mower to cut the grass when it starts growing too long."

" I'll take one of those too. "

After the customer left, the sales manager turned to the assistant. "You see?" he said, "that's the way to make a good sale. Always sell more than what the customer originally came in for."

Impressed, the assistant headed off for the pharmaceutical section, where he was to work. Soon, a man strolled in and asked, "I'd like to buy a pack of Tampax, please."

## Ethel

Two women were talking about their lives since they had become Nursing Home residents. They both agreed that life was good but one woman, Ethel, said she was rather upset because her sex life had really died out since she and her husband had come to the nursing home. The other woman said that her sex life was great! "I put both legs behind my head. When he comes out and sees me like that he gets so excited! We have wild sex all night!" "Is that right?" said Ethel. "Well, then, I'm going to try that tonight!"

That evening, while Ethel's husband is in the bathroom getting ready for bed, she takes off all her clothes. And although it's a struggle, she manages to get one leg up and behind her head. With some effort, she finally gets the other leg behind her head as well. No sooner has she accomplished this great feat, Ethel falls backwards and can't move.

It's not too long before her husband comes out of the bathroom. With a shocked look on his face, he yells "For God's sake, Ethel, comb your hair and put your teeth in, you look like an asshole!"

# Creative Gestures

*"Why don't you lick your finger like other people when you turn over the page?"*

A typical married couple were lying in bed one night. The wife had curled up ready to go to sleep and the husband put his bed lamp on to read a book. As he was reading, he paused and reached over to his wife and started fondling her pussy. He did this only for a very short while. Then he would stop, and resume reading his book.

The wife gradually became aroused with this. Thinking that her husband was seeking some response as encouragement, before going any further, she got up and started stripping in front of him.

The husband confused, asked, "What are you doing taking all your clothes off?"

The wife replied, "You were playing with my pussy, I thought it was foreplay to stimulate making love with you tonight."

The husband said, "No, not at all."

Then the wife asked, "Well what the hell were you doing then?"

The husband replied, "I was wetting my fingers so I could turn the pages in the book."

# HONG KONG DONG

On a business trip to the Orient, Joe decided to spend his last night having wild sex with a Geisha Girl. Upon returning home three weeks later, he noticed a very weird green, festering sore growing on his Penis.

He went to the doctor, Dr. Jones, who, after hearing of his Orient trip and extracurricular activities, told him he had Hong Kong Dong and the only cure was complete amputation. Joe was horrified, and decided to get a second opinion.

Joe contacted Dr. Smith and showed him the green growth. Dr. Smith said "I am sorry but Dr. Jones is correct. We must amputate right away."

Joe could not accept this. His friend suggested that he visit an oriental doctor. They must deal with this all the time. He went to Dr. Chu Wong.

Kong Dong, but said "These Amadican Doctors - so quick to Chop Chop Chop. Amputation not necesally."

Milk and cookies

There was a gentleman living in a small village who had a stomach disorder that required him to drink the milk of a nursing mother.

Well, there weren't too many women in the village nursing babies and even fewer who would agree to allow a grown man to suck on their breast. But low and behold, the poor man finally found a rather buxom young girl who had recently given birth and was willing to help him out, for a price.

The man was desperate because his condition was growing worse, so he agreed to pay the woman the amount of money she demanded. After all, the woman had a newborn baby to care for and the father had abandoned them to their fate.

The first day was a bit awkward as the man showed up and, with a bit of anxiety and embarrassment, leaned over and began to suckle the woman's breast.

Well, weeks went by and the awkwardness began to fade.

One day, the woman realized that the man's suckling was beginning to arouse her sexually. It became almost unbearable and finally, in a sensuous voice, she said, "Is there anything else you'd like?"

The man paused in his suckling for a moment, looked up at her, and said, "Yeah, got any cookies?"

## Medium Size

The first time I went to a drug store to buy condoms, I was waited on by a beautiful young woman.

She asked what size I wanted and I said I wasn't sure. So she asked how big I was and I said, "Compared to what?"

She held up one finger and asked if I was that big. I said, "I'm bigger than that."

Then she held up two fingers and asked if I was that big. I said, "I'm bigger than that."

Then she held up three fingers and asked if I was that big. I said, "I'm about that big."

She put the three fingers in her mouth and said, "You're a medium."
